

## THE KNOWLEDGE PORTAL

The knowledge portal makes a vast range of information readily available, in one place and at no cost. Presented in varying formats, the publications cover all dimensions of caregiving:

- » **What is caregiving**
- » **Realities** of caregiving
- » **Repercussions** of caregiving
- » Analysis of **caregiving support**
- » **Society** and caregiving

## CONTACT US

The development, coordination and administrative support of the Observatory has been entrusted to the

**CIUSSS du Centre-Ouest-de-l'Île-de-Montréal**

[info@observatoireprocheaidance.ca](mailto:info@observatoireprocheaidance.ca)

## HOW?

- » **Collect, integrate, compile, analyze and disseminate** information on caregiving
- » **Monitor** the evolution of caregivers' needs as well as effective and innovative practices, measures and actions to support caregivers
- » Facilitate the **transfer of knowledge**
- » Foster **collaborations** regarding caregiving
- » **Inform** the Minister

## FOR WHOM?

- » **Caregivers**
- » **Non-governmental organizations**
- » **Government authorities**
- » The **scientific community**
- » The **health and social services network**
- » The **general public**

## OUR ACTIVITIES

-  **Guidelines and recommendations** drawing on evidence-based practices and pooled knowledge for assessing the impact of caregiving policies and actions.
-  Structures and opportunities for concerted action and **the sharing of knowledge** between caregivers and the many stakeholders who support them.
-  Dissemination of research, **best practices** and promising initiatives developed in Quebec, Canada and abroad.
-  **A knowledge portal**, accessible to all.
-  **Original publications and activities** developed in collaboration with caregiving stakeholders.

québécois de la  
proche aide

"Reliable and objective information on caregiving, in an accessible and user-friendly form"

## WHO ARE WE?

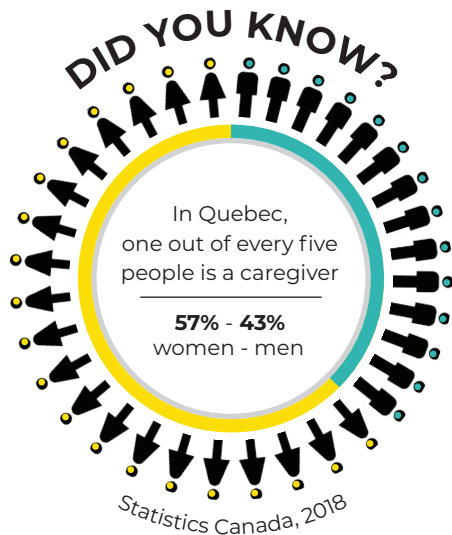

The Quebec Observatory on Caregiving is **a hub for the production, sharing and transfer of reliable, essential and relevant knowledge** aimed at raising awareness and fostering the recognition of caregiving, to better support all caregiving stakeholders.

## OUR MISSION

Established in 2020 by the Act to recognize and support caregivers, the mission of the Observatory is **to provide reliable and objective information on caregiving** through observation, monitoring, analysis and knowledge sharing.
